Tradition: As South Elementary is housed in two of the oldest structures (and partially in one of the most modern, with our brand new wing!) in Lubbock-Cooper ISD, visitors and alumni can easily sense the wonderful flavor of the “Cooper Spirit.” From early country beginnings to current cutting edge technology, history remains alive here “in the South.”

Pride: Determined to remain the very best, we continue to accomplish great things in academics and extracurricular events. Our teaching faculty, library, music, technology, and intervention programs are among the finest in the area. Setting and refining distinctive standards is the foundation of our mission.

Excellence: Ongoing professional development, devoted faculty members, and a commitment to students are the keys to an exemplary environment for which this campus has long been known. These hallmarks translate into our assurances that we will always provide a quality education.
